## Intuitive Sundays

Fascinated by the mysterious world of Intuition? Bring family, partners and friends to join us for casual and exciting winter afternoons at the Cattail Lodge at Canyon Lake Resort on the shores of beautiful Canyon Lake.

Share behind the scenes glimpses into the world of “Practical Intuition.” Get questions answered that can’t be answered anywhere else. Learn the little-known key to the psychic process.

The different ways to use Intuition are limitless! Entrepreneurs can minimize risk in growing their business. You can create healthy relationships, quality of life and improve your health with a Holistic Profile. Predictions can give you the advantage in an uncertain world by letting you know what to expect, avoid and change.

Expand your world! See how Intuition can be used in every aspect of your life. Each Sunday will be a mix of: socializing, new topics, audience ‘reading’ demonstrations, (**bring photos, business cards or hand-writing of others**), guided exercises, story-telling and simply good old-fashioned fun!
